

Opening of the Deer Museum in 1986

The Wyre Forest Society's Deer Museum was officially opened by Dr. Norman Hickin on 18th January 1986 at Button Oak. Thanks to Sylvia Sheldon and Titch Carter for providing information and these photographs.

(The museum moved in 2012 to the Forestry Commission's Callow Hill site, where it reopened as Wildside of Wyre with funding from Grow With Wyre).
